

Item #A6 Continued.

WHEREAS, the Board currently negotiates with two separate unions regarding the salary and benefits for its employees; and

WHEREAS, paid leave is an employee benefit that should be left to the give and take of the collective bargaining process. The proposed legislation mandate an employee benefit that should be the subject of negotiation; and

WHEREAS, the proposed legislation is tantamount to a tax increase for the Board's employees; and should the current system of funding the program be insufficient to support the number of employees taking paid leave, there will be and additional tax increase or, the unions will demand that the employer pay the bill on behalf of unit members; and

WHEREAS, the administrative and logistical challenges inherent in implementing a paid leave system, tracking every hour an employee utilizes paid family leave time, and ensuring that the employee's family member actually suffers a "serious health condition" is yet another unnecessary bureaucratic burden on the employer, and takes away valuable resources from the other education programs.

NOW THEREFORE BE IT RESOLVED, that the Howell Township Board of Education opposes the proposed legislation and encourages each Board of Education to do the same.

- A. Any Support Staff member working in a higher classification on a temporary basis for five (5) consecutive working days or more shall receive the higher rate of pay after the completion of the fifth (5th) full consecutive working day back to day one (1) of the consecutive higher assignment. Any break or inconsistency (such as sick, vacation, personal, bereavement, workers comp, or leave of absence) within the consecutive period except for a scheduled holiday or school closing for inclement weather will terminate the consecutive day schedule. Holidays or school closings do not count towards additional consecutive days in the consecutive period. Once the consecutive day schedule is terminated, it must be restarted from day 1.
- B. Any Support Staff member working in a higher classification on a patterned basis for five (5) consecutive patterns or more, shall receive the higher rate of pay from day one (1) of the consecutive higher patterned assignment. Any break or inconsistency (such as sick, vacation, personal, bereavement, workers comp, or leave of absence) within the consecutive patterned period except for a scheduled holiday or school closing for inclement weather will terminate the consecutive patterned schedule. Consecutive working days in a pattern shall be treated as continuous in the event a holiday or district closing alters the pattern. Holidays or school closings do not count towards additional consecutive patterned days in the patterned period. Once the consecutive patterned days are terminated, it must be restarted from day 1.

(i.e. every Tuesday and Wednesday for at least five (5) consecutive weeks; every Monday for at least five (5) consecutive weeks; every Friday for at least five (5) consecutive weeks; etc.). The patterned days are approved and scheduled by the Director or Deputy Director of Buildings and Grounds.

D. The language in this Article pertains to Full Time Buildings and Grounds personnel only. District Part Time and Hourly positions are excluded in this Article.

E. This is to be effective starting December 1, 2007.
